

## Developing Project Outputs

### What has already been done?

IO1 - Creative Business Development Curriculum for Nascent Creative Entrepreneurs. Project partners developed a brand new, modular curriculum to support nascent creative entrepreneurs of all ages fulfil their entrepreneurial potential in the creative industry sector.

IO2 - In-service training for VET professionals. Partners developed a bespoke in-service training programme to ensure that VET professionals are equipped to deliver the creative business development curriculum; that they can make full use of the proposed e-learning platform; that they can deliver the training in a blended learning environment.

IO3 - E-learning portal. Across Limits developed an e-learning portal as a one-stop-shop providing instant access to the full suite of learning resources developed.

IO5 - Creative Business Case Studies. In order to present some positive entrepreneurship stories partners developed a series of case studies profiling creative entrepreneurs and their businesses in each partner country.

### What's next?

IO4 - Policy Paper. The policy paper will consider why a change of approach might be relevant. It will also recommend a course of action based on the experiences and lessons learned in the course of the Kre8r project.

E1-E7 - Animation Workshops. Public animation workshops will be held in the local communities where partners are active to promote the creative business development curriculum, the e-learning portal with the case study library; and the in-service training course-ware developed.

E8 - Final Conference. A major public event will be held in France on the 23<sup>rd</sup> of October. It will attract an audience of at least 90 persons representing all target groups and VET providers.

A27 - A video documentary will be produced by The Rural Hub to trace the development of the project and provide insights into the situation on the ground in each of the participating countries.

E9-E15 - Each partner will organize a National Campaign event addressed to policy makers to present the Policy Paper.

## In-service training for VET professionals

3 VET professionals from each partner country participated in the transnational training event in Marseille, France from 21<sup>st</sup> to the 25<sup>th</sup> January 2019.

The special 5 day, 25 hour training programme focused on:

- ✓ the delivery of the creative business development curriculum;
- ✓ teaching creative entrepreneurs through remote on-line environments;
- ✓ engaging and motivating nascent entrepreneurs or learners lacking in self-confidence.

## Project meetings

Partner meeting 4 was held in Porto, Portugal on 17th and 18th April 2019. It was organized by Rightchallenge and attended by representatives of partner organizations. During the meeting we reviewed the implementation of the in-service training now completed; reviewed the on-going implementation of the new Creative Business Development curriculum; planned the animation workshops to stimulate the development of creative industry businesses; planned the Final Conference to be held in Marseille, France and agree the policy issues to be addressed in the Policy Paper.

Partner meeting 5 will be held in Marseille, France on the 22<sup>nd</sup> and 23<sup>rd</sup> October 2019 to officially launch all training resources and on-line platforms developed at the Final Conference and plan for the National Campaigns to be held in each partner country targeting policy makers.
